MEMORANDUM FOR:

[redacted]
Chief, Administrative Staff

FROM:

[redacted]
Chief, HUMINT Collection Monitoring Division

SUBJECT:

Memorandum of Appreciation

STAT

STAT

In connection with [redacted] departure from the ICS Registry, I would like to express my appreciation for the work he has done for this office.

STAT

As you know, he has been supporting the National HUMINT Collection System since its inception, in 1979. The system involved a heavy administrative burden, partly because it was new and involved many new administrative problems, and partly because it involves considerable volume, with attendant demands on the Registry in handling correspondence and records.

[redacted] helped us a great deal in overcoming our initial "growing pains" and subsequently, in dealing with our voluminous material. His positive attitude and helpfulness to our staff--sometimes under trying circumstances--will be missed.

STAT

I ask that you forward this memorandum to his new office.
